

Spring Volunteering

Change a Senior's Life

This spring send an afternoon helping Madison County's seniors. CASA has volunteer opportunities to suit all ages, schedules, skill levels & interests.

Opportunities for Youth

Perfect projects for younger volunteers

Projects can be done in an afternoon

CASA Community Garden: plant, weed, and harvest at our CASA Garden

Yard Work: raking leaves, trimming hedges, mowing grass

Ramp Painting: apply non-skid coating on wheelchair ramps

Group Opportunities

Perfect projects for groups

Great for Scouts, business, church, school, & family groups

Build Ramps: build wheelchair ramps for CASA's seniors

Painting: apply non-skid coating on wheelchair ramps & paint home exteriors

Chores: home upkeep work that our seniors have trouble with such as installing smoke detectors, replacing light bulbs & batteries, exterior painting

Yard Work: raking leaves, trimming hedges, & mowing grass

Individual Opportunities

Perfect for anyone looking to volunteer

Ongoing projects and shorter, one-afternoon projects

Handy Man: small repair work our seniors have trouble with such as firewood cutting, door replacement, window repair, & door lock installation

Install grab bars: prevent falls by installing grab bars & handrails

If YOU want to change the life of Madison County's seniors:
