Welcome to all, some of your drive great distances to come and we thank you for

that.

We all need to focus on using affiliates and affiliates using Realtors, this is the way connecting will work.

Believe me it will work, since becoming VP of membership for 2009, I have used only WCR affiliates and have been greatly impressed.

Please remember, these affiliate have given their dollars and interest to join us. Their will and desire to connect, we too must break out of our shell and try new or we will not flourish. I think you will be pleasantly surprised.

If you have something to share for the newsletter, just shoot it over to me.
Newsletter@RebeccaRogers.net. Look forward to hearing from you.

Make your goal this year: “to get involved; continue the vision”.
